Chief Robert V. Hall, Jr.
Saint Johns County Fire Rescue
4455 Avenue A, Suite 100
Saint Augustine, FL 32095

RE: Saint Johns County Fire District, Saint Johns County, FL

Dear Chief Hall,

We wish to thank you and Operations Chief Carl Shank for the information provided to our Field Representative Larry Geiger and to me regarding fire station 16 at 235 Murabella Pkwy., in World Golf Village.

We are now recognizing this fire station and Class 5/9 now applies. Class 5 applies to properties within 1000 feet of a fire hydrant, within 5 road miles of the fire station and with a needed fire flow of 3500 GPM or less. Class 9 applies to properties beyond 1000 feet from a fire hydrant but within 5 road miles of the fire station. The public and private fire suppression capability for properties with a needed fire flow greater than 3500 GPM is individually evaluated and may vary from the community. All properties beyond 5 road miles from a responding fire station are Class 10. This fire station will appear in our mapping effective January 1, 2008.

If you have any questions, feel free to contact me. I would be more than happy to assist you any way I can.

Sincerely yours,

Kevin Gimeno
