Email regarding this report: LNelson@sjcfl.us

St. Johns County Emergency Operations Center	State of Florida Region 3 FEMA Region 4	Incident Name: COVID-19
--	--	----------------------------

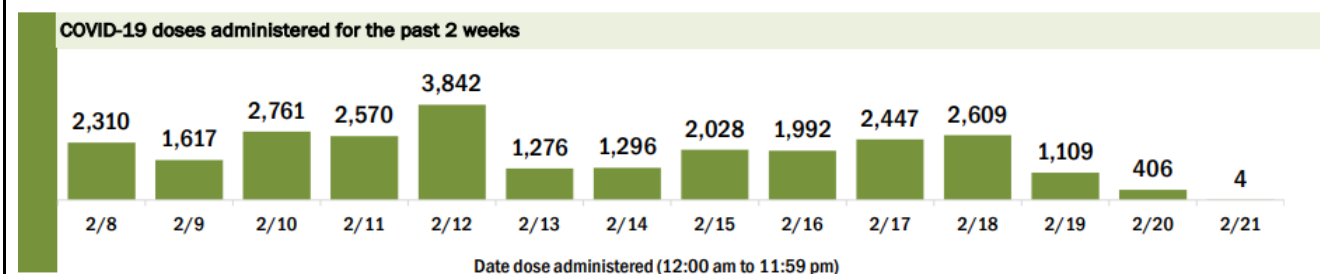

Current Vaccine Operations

- In response to the COVID-19 pandemic, St. Johns County has established a Vaccine Information Hotline/call center and an appointment-based vaccination site at the Solomon Calhoun Community Center. The call center is operational 8:00 am to 5:00 pm, 7 days a week. The number is 904-295-3711.
- To sign up for vaccine updates via text, text SJCVaccine to 888777.
- **On February 22nd, St. Johns County launched a new COVID-19 vaccination appointment pre-registration system. Individuals may visit <https://sjcvaccineappointment.sjcfl.us> or call 904-295-3711 to register. Individuals who preregister with St. Johns County's Vaccination Appointment System will receive an automated phone call from 904.295.3711 when COVID-19 vaccination appointments become available.**
- The current priority for vaccination efforts are frontline healthcare workers, staff/residents of long term care facilities and 65 years and older.
- CVS and Walgreens continue vaccinating residents and staff of long term care facilities throughout the county.
- A Public Health Advisory has been issued by the State of Florida Department of Health requiring vaccine recipients provide proof of residency (full or part-time in the State of Florida) or proof they are present in Florida for the purpose of providing health care services involving direct contact with patients.

- Florida Department of Health has established a hotline for the public 1-866-779-6121. This hotline is open 24 hours a day.

Community Information

• St. Johns County/Community

- St. Johns County - Mandates the Use of Face Coverings in all County Facilities

In an effort to minimize the spread of COVID-19, a face covering mandate for all St. Johns County-owned facilities is in effect. All employees and any person working, doing business, or visiting a County facility are required to wear a face covering

when social distancing of six feet or more cannot be maintained. For a full list of exemptions and enforcement policies, please visit www.sjcfl.us. This Emergency Order will remain in effect through the duration of the St. Johns County Emergency Proclamation 2020-1, unless otherwise rescinded by the County Administrator or his designee.

- City of St. Augustine Beach - Pursuant to Resolution 20-14, the following regulations remain in effect in the City of St. Augustine Beach for so long as a state of emergency is in effect or unless otherwise modified or repealed.

Every person working, living, visiting, or doing business in the City of St. Augustine Beach shall wear a face covering in any indoor location, other than their home or residence, when not maintaining social distancing from other person(s), excluding family members or companions.

For more information on the resolution, please visit www.staugbch.com

- The St. Johns Board of County Commissioners strongly encourages local businesses to mandate that employees and customers wear masks while inside their establishments in order to further prevent the spread of COVID-19.

Safety Message

- Wash your hands frequently with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoid close contact with people who are sick and stay home if you are sick.
- Feeling anxious, scared, or nervous about COVID-19? Text CARE4U to 741741 from anywhere, anytime, about any type of crisis. A trained Crisis Counselor receives the text and responds from a secure online platform to help you cope with the current events. Provided by Flagler Health + Care Connect.

To prevent the spread of disease, follow guidance from official sources at the Centers for Disease Control (www.cdc.gov) and the Florida Department of Health (www.floridahealth.gov).

Receive alerts about emergencies by signing up for the St. Johns County Emergency Notification System, Alert St. Johns. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods and incidents that may threaten public safety.
