Positive: 185 | Negative: 3,369 | Inconclusive: 1 | Pending: 17

- COVID-19 Test Collection Site at TIAA Bank Field Lot J (Jacksonville Jaguars Stadium)
 - Open to St. Johns County residents, all ages are accepted, although individuals must still meet certain guidelines. These include:
 - Respiratory symptoms.
 - Have an underlying health condition
 - Have come into contact with a confirmed COVID-19 patient
 - First responders and healthcare workers
 - This site will operate from 9 a.m. to 5 p.m. seven days a week, for as long as supplies last. While a doctor's order and appointment are not required at this location, clients will be evaluated by a medical professional on site. Those attempting to be tested should:
 - Bring their own pen.
 - Photo Identification.
 - Remain inside of vehicle at all times.
- Coronavirus Test Collection Sites in St. Johns County are as follows:
 - Flagler Health+ - 400 Healthpark Blvd., St. Augustine, FL 32086. Outdoors at tent

- Flagler Health+ has established an outdoor test collection site for patients who have a physician order for COVID-19 testing and have pre-registered through the system. The drive through process takes about three minutes. Test results are taking at least 4-5 days on average. Tests results are communicated back to the patient's primary care doctor who notifies the patient of the results. Positive results are also reported to the Department of Health.
- Flagler Health+ is also offering a reduced rate of \$25 for people to see a doctor online who may not have a primary care doctor. The online doctor will determine if they need to be tested or not based on their symptoms and an algorithm. The online doctor can also prescribe medications for certain other diagnoses. For additional information visit www.flaglerhospital.org.
- Florida Department of Health in St. Johns County (DOH-SJC) –St. Johns County Health & Human Services Building , 200 San Sebastian View, St. Augustine, FL 32084. (904) 209-3250
 - As part of disease control investigations, DOH-SJC is collecting specimens for COVID-19 laboratory testing. As part of disease investigations, specimen collection is by appointment-only for those individuals who meet the CDC criteria for testing. For more information about COVID-19 and testing, the Florida Department of Health in St. Johns County's COVID-19 Call Center is open seven days a week from 8:00 a.m. to 6:00 p.m. and can be reached at 904-209-3250. Calls received outside of standard business hours will be redirected to a DOH-SJC Public Health Nurse.
- Avencia Medical - Julington Creek Branch, 1633 Race Track Rd, St Johns, FL 32259 (904) 230-6988
 - Open to the public from 8:00 a.m. – 8:00 p.m., Monday through Friday, and from 8:00 a.m. to 5:00 p.m., Saturday and Sunday, as a COVID-19 collection site. Collection is being treated as an urgent care doctor's visit and clients must bring a photo ID and insurance card. The collection facility has a tent prepared outside and have requested that visitors wait in their cars for paperwork to be brought to them by a staff member. For additional information, please call 904.230.6988 or visit www.avecina.com/our-services/urgent-care/.

Safety Message

- Questions about cloth face coverings to help slow the spread of COVID-19 - <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>
- Washing your hands frequently with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoiding close contact with people who are sick and stay home if you are sick.
- Feeling anxious, scared, or nervous about COVID-19? Text CARE4U to 741741 from anywhere, anytime, about any type of crisis. A live, trained Crisis Counselor receives the text and responds, all from a secure online platform. The volunteer Crisis Counselor will help you cope with the current events. Provided by Flagler Health + Care Connect.

To prevent the spread of disease, follow guidance from official sources at the Centers for Disease Control (www.cdc.gov) and the Florida Department of Health (www.floridahealth.gov).

Receive alerts about emergencies by signing up for the St. Johns County Emergency Notification System, Alert St. Johns. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods and incidents that may threaten public safety.
