Closures/Cancellations

Community Reopening

- Florida Division of Emergency Management issued Emergency Order DEM ORDER NO. 20-009 that lifts restrictions for visitation to nursing homes, assisted living facilities (ALFs), adult family-care homes, adult group homes and other long-term care facilities.

The Emergency Order requires all visitors to wear PPE pursuant to the most recent CDC guidelines, and those not making physical contact still must wear a mask. Per the Emergency Order, to accept general visitors, the facility must meet the following:

- No new facility-onset of resident COVID-19 cases within 14 days other than in a dedicated wing or unit that accepts COVID-19 cases from the community;
- If a staff member tests positive for COVID-19, the facility must immediately cease all indoor and outdoor visitation in the event that staff person was in the facility in the 10 days prior to the positive test;
- Sufficient staff to support management of visitors;
- Adequate PPE for facility staff;
- Adequate cleaning and disinfecting supplies; and
- Adequate capacity at referral hospitals for the facility.

Every facility must continue to prohibit the entry of any individual to the facility except in the following circumstances:

- Family members, friends and individuals visiting residents in end-of-life situations;
- Hospice or palliative care workers caring for residents in end-of-life situations;
- Any individual or providers giving necessary health care to a resident, provided that such individuals or providers comply with Centers for Disease Control and Prevention (CDC) for PPE, are screened for signs and symptoms of COVID-19 prior to entry and comply with all infection control requirements of the CDC and the facility;
- Facility staff and residents;
- Attorneys of Record for a resident in an Adult Mental Health and Treatment Facility or forensic facility for court related matters if virtual or telephonic means are unavailable;
- Public Guardians, Professional Guardians and their professional staff as defined in Florida Statute 744;
- Representatives of the federal or state government seeking entry as part of their official duties;

- Essential caregivers and compassionate care visitors; and
- General visitors under specific criteria set forth under the Emergency Order.

The Emergency Order directs all facilities to ensure visitors are not quarantining, positive for COVID-19 or symptomatic. The Emergency Order also requires facilities to screen visitors, establish limits on the number of visitors allowed, schedule visitation ahead of time, clean and disinfect visiting areas between visitors and other protective measures to reduce the spread of COVID-19.

General visitors will need to be 18 years of age or older, wear a face mask, sign a consent form indicating they understand the facility's visitation policies, comply with facility-provided COVID-19 testing if offered and maintain social distance of at least six feet with staff and residents.

This order will be implemented in the upcoming days as long-term care facilities begin to put new procedures in place to comply with the Emergency Order.

- The Florida Department of Health issued an additional Public Health Advisory in response to COVID-19, providing recommendations to protect Floridians and visitors from this virus.

The Public Health Advisory provides the following recommendations:

1. All individuals in Florida should wear masks in any setting where social distancing is not possible, unless certain conditions apply.
2. All individuals over the age of 65 and all individuals of any age with high-risk health conditions should limit personal interactions outside of the home and take all measures to limit the risk of exposure to COVID-19.
3. All individuals should refrain from participation in social or recreational gatherings of more than 50 people. For all gatherings of fewer than 50 people, individuals should practice social distancing by maintaining a distance of at least six feet from each other and wearing a face covering.

For more information or a complete review of the State of Florida's recent Public Health Advisory, please visit www.FloridaHealth.gov.

PLEASE NOTE: Only newly announced community reopening will appear in the Situation Report. For further information regarding reopening please go to: <http://www.sjcfl.us/coronavirus/index.aspx>

Community Information

- **St. Johns County/Community**

- St. Johns County - Mandates the Use of Face Coverings in all County Facilities
 - In an effort to minimize the spread of COVID-19, a face covering mandate for all St. Johns County-owned facilities is in effect. All employees and any person working, doing business, or visiting a County facility are required to wear a face covering when social distancing of six feet or more cannot be maintained. For a full list of exemptions and enforcement policies, please visit www.sjcfl.us. This Emergency Order will remain in effect through the duration of the St. Johns County Emergency Proclamation 2020-1, unless otherwise rescinded by the County Administrator or his designee.
