Three St. Johns County companies recognized as part of 2019 Inc. 5000: The Most Successful Companies in America

Inc. magazine recently recognized the top 5,000 fastest-growing companies in the United States, and three St. Johns County companies made the list - Vested Metals International, Design Extensions and NTE Energy. The rankings were based on the percentage revenue growth from 2015 to 2018 of privately held companies in the United States.

Vested Metals, a metal supplier located in St. Augustine that specializes in hard-to-find and specialty metals, ranked 324 with a growth rate of 1,424%.

Design Extensions, a full-service digital agency offering marketing, websites and app development in St. Augustine, ranked 2,934 with a growth rate of 127%.

NTE Energy, a power-supply company headquartered in St. Augustine, ranked 4,004 with a growth rate of 81%. This is the sixth time NTE Energy has made the list.
