### **St. Johns County Libraries Celebrate National Library Week April 8 through 14**

**St. Johns County, FL** – The St. Johns County Public Library System invites residents and visitors to join in the celebration of National Library Week from April 8 through 14. Every year, libraries across the nation set aside one week to honor the importance of libraries and how they enrich communities. This year’s theme, “Libraries Lead,” celebrates the many ways libraries lead their communities through the services, programs, and expertise they offer. St. Johns County Public libraries are offering special programs throughout National Library Week, including Adult Bingo for Books, a Haiku Workshop, and the Living Library. The library also invites patrons to participate in “Where did the library lead you?” on Facebook at [www.facebook.com/sjcpls](http://www.facebook.com/sjcpls) to win a \$100 VISA gift card and a copy of “Firebird,” the Coretta Scott King Award-winning book by Misty Copeland. For more information on National Library Week events and programs, please visit [www.sjcpls.org](http://www.sjcpls.org) or call your local library branch.
