

## St. Johns County Board of County Commissioners

---

Communications Division

**June 19, 2017**  
**For Immediate Release**

### **Limited Access to Butler Boat Ramp due to Improvement Project**

**St. Johns County, FL** – Butler Boat Ramp will have limited access from June 21 through October 8, 2017 due to a dredging project that will improve navigability to the ramp for public use. Heavy equipment and construction crews will be on site, partially blocking access to a portion of the parking lot throughout the duration of the project. Patrons of Butler Boat Ramp are urged to exercise caution in the parking lot, on the boat ramp, and in the water near the ramp. St. Johns County would like to thank residents and visitors for their patience as staff works to improve this public facility. For more information, please call 904.209.0193.
