North Beach Drainage Improvements Community Meeting

St. Johns County is hosting a community meeting regarding proposed North Beach Drainage Improvements from 5 to 7 p.m. on Monday, December 3 at the North Shores Community Center, 120 Meadow Avenue. The meeting will provide details regarding the construction of an underground stormwater pipe system, swales, and catch basins to collect and convey runoff to the Intracoastal Waterway. For more information, please call 904.209.0110.
