### **North Florida Travel Survey for St. Johns County Residents**

The North Florida Transportation Planning Organization and the Florida Department of Transportation are conducting a travel survey through November 30 to better understand the transportation needs of residents in the North Florida region. St. Johns County residents are encouraged to visit [www.northfloridatravelsurvey.com](http://www.northfloridatravelsurvey.com) to provide feedback regarding daily commutes and travel information. The password to participate is "Survey". Information collected will be considered during regional transportation improvement project planning. For more information, please call 1.800.895.2690 or email [help@northfloridatravelsurvey.com](mailto:help@northfloridatravelsurvey.com).
