

St. Johns County Emergency Management

FOR IMMEDIATE RELEASE

St. Johns County Beach Driving Restricted Beginning Tuesday

ST. JOHNS COUNTY, Florida, September 27, 2022 – Due to potential extreme high tides and unpredictable ocean conditions related to Hurricane Ian, beach driving on all St. Johns County beaches will be restricted **beginning at 5 p.m. on Tuesday, Sept. 27, 2022**. At this time, pedestrian access to the beach will remain available at off-beach parks and beach walkovers. Dangerous surf conditions and rip current activity are expected. Beach visitors are encouraged to avoid ocean swimming until conditions improve. Beach driving access will be reinstated when conditions allow.
