

St. Johns County Emergency Management

September 12, 2017
For Immediate Release

St. Johns County Bridges Now Open

St. Johns County, FL – St. Johns County opened all bridges at 11 a.m. on Tuesday, September 12. During re-entry, everyone is asked to be cautious of standing water hazards and debris obstructions. Re-entry tags are no longer required. Water and sewer services may not be immediately available and power may not be restored in many areas. For updates on the official reentry process, please visit www.sjcfl.us/hurricane or call the St. Johns County Emergency Management hotline at 904.824.5550.
