### **St. Johns County Fair Housing Online Survey**

**St. Johns County, FL** - In conjunction with a fair housing study required by the U.S. Department of Housing and Urban Development, St. Johns County is conducting a survey to garner feedback from residents regarding fair housing within the County. The purpose of the survey is to help identify whether barriers to fair housing choice exist in St. Johns County in the rental and real estate markets and the mortgage lending, insurance, and appraisal industries. To complete the survey online by the December 12 deadline, please visit [www.research.net/r/2018SJCFL\\_FHS](http://www.research.net/r/2018SJCFL_FHS). For more information, please call 904.827.6897.
