St. Johns County Public Libraries host Tenth Annual *Nature Detective* Bee Workshops

St. Johns County, FL – St. Johns County Public Libraries are hosting free, interactive, and science-based *Nature Detective* workshops for children ages 6 through 12 throughout the summer. This year, participants will have the opportunity to learn about bees through hands-on activities, take-home materials, and books that can be checked out from the libraries. The St. Johns County Beekeepers Association will also bring a contained live hive of bees to every workshop to help study these important pollinators. The workshops will be held at the following locations:

- **Bartram Trail Branch Library, 904.827.6960** – June 14 / 1 p.m. and 2:30 p.m.
- **Hastings Branch Library, 904.827.6970** – June 24 / 11 a.m. and 12 p.m.
- **Ponte Vedra Beach Branch, 904.827.6950** – July 8 / 1 p.m. and 2:30 p.m.
- **Southeast Branch Library, 904.827.6900** – July 15 / 11 a.m.
- **Anastasia Island Branch Library, 904.209.3730** – July 19 / 2 p.m. and 3:30 p.m.
- **Main Library, 904.827.6940** – July 22 / 10 a.m. and 11:30 a.m.

To register your child for a workshop, please call or visit any participating branch library. *Nature Detective* workshops are sponsored and supported by the Garden Club of St. Augustine and the Friends of the Library organizations of each branch library. For more information, please visit www.sjcpls.org.
