Communications Division

### **St. Johns County Sheriff's Office Deputies Maintain Presence In Community**

The St Johns County Sheriff's Office continues to maintain a large presence of law enforcement in our neighborhoods. Not only will these deputies be assisting residents with their needs, they will remain keenly aware that some may wish to use this as an opportunity to commit criminal acts, such as looting. Be assured that individuals who are caught committing any acts that exploit our communities will be arrested and prosecuted to the fullest extent of the law. Should you witness any actions that you would suspicious, call the Sheriff's Office at 824-8304 and if in doubt call 9-1-1.

In other words, we got your back St. Johns County.
