

Acknowledgements

The consulting team of HDR would like to thank the St. Johns County Board of County Commissioners (BBC) for funding the County's Greenway, Blueway & Trails Master Plan. We would like to acknowledge the dedicated efforts of Vickie Renna, Project Manager with St. Johns County Planning Division; Shorty Robbins, Administrative Manager with St. Johns County's Recreation and Parks Department; Tom Tibbitts, GIS Specialist with St. Johns County's GIS Department; and Stephen Bowes, Outdoor Recreational Planner with the National Park Service Rivers, Trails and Conservation Assistance who has provided technical assistance on this project. We at HDR would also like to thank these individuals for their dedicated efforts of furthering the goals and promoting the St. Johns County Greenway, Blueway & Trails Master Plan.

In addition, we would like to thank the St. Johns County LAMP Board; Ray Bunton, SJRWMD Land Acquisition Manager; J.B. Miller, Department of Environmental Protection (DEP) District 3 Biologist; and Alexandra Weiss with DEP's Office of Greenways and Trails for providing invaluable greenway and blueway master plan information.

The Team would also like to acknowledge the citizens of St. Johns County who gave their time to attend and voice their support for the Greenway, Blueway & Trails Master Plan effort.
