

G. Exempt Questions

Provide a list (or formal written request if required by the regional planning council) of ADA questions which you wish to have deleted or exempted. Provide a discussion or explanation of why you believe it is appropriate to delete from the ADA for your project.

It is requested that the following questions be deleted as they are not applicable to Elkton:

- Question 20.B Hazardous Materials Generated or Utilized
- Question 31 Airports
- Question 32 Attractions and Recreational Facilities
- Question 35 Mining Operations
- Question 36 Petroleum Storage Facilities
- Question 37 Port and Marina Facilities
- Question 38 Post Secondary Schools
