All school offices will be closed to the public. Access will be limited to phone or email. Please see Community Information regarding Meal Service.
Florida School for Deaf and Blind	Status:	Florida School for Deaf and Blind students will not return to school campuses until Wednesday, April 15 th .
Flagler College	Status:	All classes will be online for the remainder of the spring semester.
St. Johns River State College	Status:	All SJR State classes (online and on-campus) will be cancelled through March 29. Classes will resume on March 30 in an online format through the end of the semester. All campuses will remain closed to students and employees until further notice. All public and College-sponsored events have been canceled for the remainder of the spring semester.
Flagler Hospital	Status:	Operational - All patient visitation has been suspended. Exceptions will be made for the most critical, extenuating circumstances and spouses/partners of Labor and Delivery patients. Permitted visitors will be screened for fever, cough and shortness of breath and will not be allowed entry if they have symptoms. Beginning at noon on Monday, March 23, 2020, all entry into the hospital will be limited to the Emergency Department entrance.

Community Cancellations and Closures

- Anastasia State Park is closed to campers, day use, beachgoers and all other access.
- Guana Tolomato Matanzas National Estuarine Research Reserve (GTM Research Reserve)
 - GTM Research Reserve Visitors Center is closed to public
 - All GTM Research Reserve beaches are closed. The Guana Dam and trails remain open. All visitors shall follow the CDC Guidelines by limiting their gatherings to no more than 10 persons and distance themselves from other parties by 6 feet.
 - All events scheduled through April 30 are cancelled.

PLEASE NOTE: Due to the number of cancellations and closures, only newly announced closures will appear in the Situation Report.

You can go to <http://www.sjcf.us/coronavirus/> for a comprehensive list of cancellations and closures.

Community Information

- Coronavirus Test Collection Sites in St. Johns County are as follows:
 - Flagler Health+ - Please note that this is NOT one of the drive through testing sites you have seen or heard about on the news. This outdoor test collection site has been established for patients who have a physician order for COVID-19 testing and have pre-registered. We know there are many people in our community desiring to be tested and understand your frustration. Flagler Health+ currently has a limited quantity of test kits available and we must focus first on ensuring that our community's most vulnerable people with symptoms and risk for complications get the testing and care they need.
 - Florida Department of Health - This collection site is for individuals who have a physician's order for COVID-19 testing.
- The Youth Services Team of the St. Johns County Public Library System will be providing Storytime, via Facebook Live, at 11am, Monday through Friday. If you can't watch it at that time, they are archived on the Library's Facebook Page.
- Governor Ron DeSantis activated the Florida Small Business Emergency Bridge Loan Program to support small businesses impacted by COVID-19. The bridge loan program, managed by the Florida Department of Economic Opportunity (DEO), will provide short-term, interest-free loans to small businesses that experience economic injury from COVID-19. The application period runs through May 8. For more information, visit www.floridadisasterloan.org or contact the Florida Small Business Development Center Network by phone at 866-737-7232, or email at disaster@FloridaSBDC.org.
- DEO is currently surveying businesses throughout the state that have been impacted by COVID-19. Businesses and non-profits can access the Business Damage Assessment survey at FloridaDisaster.biz. Select "COVID-19" from the drop-down menu on the survey page.
- St. Johns County School District Meal Service:
 - Please see the following link for more information and locations where meals can be picked up: <https://www.stjohns.k12.fl.us/blog/meal-service/>

Safety Message

- Washing your hands frequently with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoiding close contact with people who are sick.
- Staying home when you are sick.

To prevent the spread of disease, follow guidance from official sources at the Centers for Disease Control (www.cdc.gov) and the Florida Department of Health (www.floridahealth.gov).

Receive alerts about emergencies by signing up for the St. Johns County Emergency Notification System, Alert St. Johns. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods and incidents that may threaten public safety.
