Current Event Status

- The Centers for Disease Control (CDC) is responding to an outbreak of respiratory disease caused by a novel coronavirus (COVID-19) that was first detected in China and has now been detected internationally, including the United States and locally in St. Johns County.
- Positive Cases of COVID-19 in the State of Florida as of **April 10, 2020 at 12:00 pm** (most recent report from FDOH Tracker):

St. Johns County COVID-19 Statistics

Florida COVID-19 Statistics

COVID-19 Test Collection Sites

Total Tests in St. Johns County : 2,918

Positive: 163 | Negative: 2,754 | Inconclusive: 2 | Awaiting testing: 24

- Federal Test Collection Site – TIAA Bank Field Lot J (Jacksonville Jaguars Stadium)
 - Open to St. Johns County residents, the federally-sponsored drive-thru COVID-19 testing site at TIAA Bank Field in parking lot J. All ages are accepted, although patients must still meet certain guidelines. These include:
 - On-site temperature of 99.6 or higher.
 - Individuals **MUST ALSO** have respiratory symptoms.
 - First responders and healthcare workers who have direct contact with patients will also be tested, regardless of symptoms. Please bring work ID
 - This site will operate from 9 a.m. to 5 p.m. seven days a week, for as long as supplies last. While a doctor’s order and appointment are not required at this location, clients will be evaluated by a medical professional on site. Patients who do not meet the criteria will not receive a test and will be sent home. Those attempting to be tested should:
 - Bring their own pen.
 - Photo Identification.
 - Refrain from taking any fever-reducing medicine four to six hours before testing.
 - Remain inside of vehicle at all times.

- A maximum of four people per car will be screened and tested; each person must be sitting at a functioning window. Additional passengers will be asked to move to the back of the line or return the following day. As long lines are expected, please follow the directions of Jacksonville Sheriff's Office traffic officers. Drivers coming from the west side of town should use Bay Street. Drivers coming from the east side should use Gator Bowl Boulevard. Public restrooms will not be available. American Sign Language and Spanish-language interpreters will be on-site to assist. For questions regarding federal testing sites please call the Toll Free Call Center at 1.877.696.6775.
- Coronavirus Test Collection Sites in St. Johns County are as follows:
 - Flagler Health+ - 400 Healthpark Blvd., St. Augustine, FL 32086. Outdoors at tent
 - Flagler Health+ has established an outdoor test collection site for patients who have a physician order for COVID-19 testing and have pre-registered through the system. The drive through process takes about three minutes. Test results are taking at least 4-5 days on average. Tests results are communicated back to the patient's primary care doctor who notifies the patient of the results. Positive results are also reported to the Department of Health.
 - Flagler Health+ is also offering a reduced rate of \$25 for people to see a doctor online who may not have a primary care doctor. The online doctor will determine if they need to be tested or not based on their symptoms and an algorithm. The online doctor can also prescribe medications for certain other diagnoses. For additional information visit www.flaglerhospital.org.
 - Florida Department of Health in St. Johns County (DOH-SJC) –St. Johns County Health & Human Services Building , 200 San Sebastian View, St. Augustine, FL 32084. (904) 209-3250
 - As part of disease control investigations, DOH-SJC is collecting specimens for COVID-19 laboratory testing. As part of disease investigations, specimen collection is by appointment-only for those individuals who meet the CDC criteria for testing. For more information about COVID-19 and testing, the Florida Department of Health in St. Johns County's COVID-19 Call Center is open seven days a week from 8:00 a.m. to 6:00 p.m. and can be reached at 904-209-3250. Calls received outside of standard business hours will be redirected to a DOH-SJC Public Health Nurse.
 - Avencia Medical - Julington Creek Branch, 1633 Race Track Rd, St Johns, FL 32259 (904) 230-6988
 - Open to the public from 8:00 a.m. – 8:00 p.m., Monday through Friday, and from 8:00 a.m. to 5:00 p.m., Saturday and Sunday, as a COVID-19 collection site. Collection is being treated as an urgent care doctor's visit and clients must bring a photo ID and insurance card. The collection facility has a tent prepared outside and have requested that visitors wait in their cars for paperwork to be brought to them by a staff member. For additional information, please call 904.230.6988 or visit www.avecina.com/our-services/urgent-care/.

- **State of Florida**

- Florida residents are encouraged to do their part in helping Florida flatten the curve by anonymously answering questions that range from age and residency, to recent travel, to potential COVID-19 contact. The StrongerThanC-19 community action survey is designed to gather information to help the Department track and slow the spread of COVID-19 in Florida; it is not a symptom checker designed to dispense medical advice. The StrongerThanC-19 community action survey is free to use and can be accessed by visiting: www.StrongerThanC19.com.
- SBA Disaster Relief Loan – loans up to the lesser of 12 months expenses of \$2 million, 3.75% interest rate, no fees, up to 30-year terms. To apply, visit www.sba.gov/disaster/apply-for-disaster-loan.
- If a Floridian’s employment has been negatively impacted as a result of the mitigation efforts in Florida to stop the spread of COVID-19, they may be eligible to receive Reemployment Assistance. <http://www.floridajobs.org/Reemployment-Assistance-Service-Center/reemployment-assistance/claimants/apply-for-benefits>
- Information regarding the Supplemental Nutrition Assistance Program (SNAP) can be found at: <https://www.myflfamilies.com/covid19/access.shtml>
- Governor Ron DeSantis activated the Florida Small Business Emergency Bridge Loan Program to support small businesses impacted by COVID-19. The bridge loan program, managed by the Florida Department of Economic Opportunity (DEO), will provide short-term, interest-free loans to small businesses that experience economic injury from COVID-19. The application period runs through May 8. For more information, visit www.floridadisasterloan.org or contact the Florida Small Business Development Center Network by phone at 866-737-7232, or email at disaster@FloridaSBDC.org.
- Governor DeSantis has ordered a vehicle check on I-95 similar to current operations occurring on I-10 in the panhandle (for vehicles from Louisiana). All southbound traffic will be routed through the weigh station looking for vehicles from New York, New Jersey and Connecticut. Department of Health officials will be asking them questions about their destination and giving them self-quarantine information. They will close the southbound exit to US 17, which may impact the I-95 exit to SR-200. This will be a 24-hour operation.

Safety Message

- Questions about cloth face coverings to help slow the spread of COVID-19 - <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>
- Washing your hands frequently with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
- Avoiding close contact with people who are sick and stay home if you are sick.
- Feeling anxious, scared, or nervous about COVID-19? Text CARE4U to 741741 from anywhere, anytime, about any type of crisis. A live, trained Crisis Counselor receives the text and responds, all from a secure online platform. The volunteer Crisis Counselor will help you cope with the current events. Provided by Flagler Health + Care Connect.

To prevent the spread of disease, follow guidance from official sources at the Centers for Disease Control (www.cdc.gov) and the Florida Department of Health (www.floridahealth.gov).

Receive alerts about emergencies by signing up for the St. Johns County Emergency Notification System, Alert St. Johns. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, water advisories, missing persons, evacuations of buildings or neighborhoods and incidents that may threaten public safety.
