St. Johns County Community Development Block Grant Proposed

2023-2024 Annual Action Plan

PUBLIC NOTICE IS HEREBY GIVEN that St. Johns County has prepared a proposed 2023-2024 Action Plan as required by the US Department of Housing and Urban Development (HUD) to receive Community Development Block Grant (CDBG) funding. St. Johns County receives CDBG funds as an entitlement community for the benefit of low-to-moderate income residents. St. Johns County may use CDBG funds within the unincorporated areas of the County and within the city limits of St. Augustine Beach. The development and approval of a Consolidated Plan and an Annual Action Plan are requirements of receiving CDBG funds.

The Five Year Consolidated Plan was prepared by St. Johns County and includes a discussion of needs and strategies to meet those needs. The Consolidated Plan was developed with participation from County staff, elected officials, affordable housing and social service providers, and local citizens. As a result of this process, the following priorities were developed:

- **Priority #1** - Rehabilitation of existing Housing: focus on improving health and safety, code violations, accessibility and sustainability for extremely low-to-moderate income residents below 50% AMI (including but not limited to residents who are elderly, disabled, and veterans).
- **Priority #2** – Public Facilities and Infrastructure: provision of adequate public facilities and infrastructure to assure the efficient levels of service and enhance the livability of low- to-moderate income neighborhoods.
- **Priority #3** – Public Services: enhance the living environment of the targeted area by addressing basic needs that were unmet due to economic disparity.
- **Priority #4** – Homeless Assistance: provide housing and support services to assist individuals and families who are homeless or at risk of becoming homeless.
- **Priority #5** – Affordable Housing: Increase the supply of affordable rental housing available to very low, low, and moderate income residents as well as veterans, elderly, disabled, and homeless persons through new construction or acquisition.
- **Priority #6** – Economic Development: Promotion of Economic Development activities to respond to general needs and to respond to the impact of COVID-19.

The Annual Action Plan lays out how the funds will be used for qualifying purposes such as projects, programs, and administration. For the 2023-2024 Fiscal Year, HUD allocated \$1,121,735 for St. Johns County. The 2023-2024 proposed Annual Action Plan will provide for the following expenditures:

Priority #2 -Infrastructure Activities:

- \$165,807.00 for public infrastructure to serve low to moderate income areas.
- \$621,735.00 to enhance the livability of low to moderate income neighborhoods and assure efficient levels of community service and safety.

Priority #3 -Public Services:

- \$109,946 .00 for assistance programs for low to moderate-income individuals or households.

Planning and Administration:

- \$224,247.00 for HUD-approved administrative costs associated with establishing and maintaining a CDBG program.
