Have you reported your
**COMMERCIAL
RECYCLING TONNAGE?**

Every year, the St. Johns County Solid Waste Division prepares an Annual Solid Waste Management Report for submittal to the Florida Department of Environmental Protection (FDEP).

solidwaste@sjcfl.us

What can I report?

Any material that has been diverted from the landfill and recycled, reused, reclaimed, or repurposed.

- Measured by weight (lbs or tons)
- Reported by calendar year (Jan 1 - Dec 31)

Examples include:

Construction & Demolition Debris

- Concrete
- Steel
- Asphalt

Hazardous Waste

- Chemicals
- Paint
- Electronics
- Fluorescent Lamps

Automotive

- Tires
- Antifreeze
- Batteries
- Used Motor Oil
- Used Oil Filters
- Processed Fuel

Recycling

- Paper
- Cardboard
- Plastic
- Metal
- Glass
- Textiles

Organics

- Compost
- Used Cooking Oil
- Yard Waste

Donations

- Clothes
- Furniture
- Appliances
- Food Donations

The Florida legislature established a 75% recycling goal for the state of Florida.

The information that you provide will help us meet that goal.
