**St. Johns County Community Development Block Grant (CDBG)
Proposed Substantial Amendment to the 2022-2023 Annual Action Plan**

Notice to Citizens: St. Johns County receives Community Development Block Grant (CDBG) funds as an entitlement community. This program is administered through the U.S. Department of Housing and Urban Development (HUD) to benefit low/moderate-income residents. St. Johns County uses CDBG funds within the unincorporated areas of the County and within the city limits of St. Augustine Beach. The County has prepared a 2021-2025 Consolidated Plan and a 2022-2023 Annual Action Plan as required by HUD to receive CDBG funding. The Consolidated Plan specifies priorities for the CDBG program. The Annual Action Plan establishes activities and projects for how the funds will be used for qualifying purposes. St. Johns County is now considering a Substantial Amendment to its 2022-2023 Annual Action Plan.

Consolidated Plan: The Five Year Consolidated Plan was prepared by St. Johns County and includes a discussion of needs and strategies to meet those needs. It was developed with participation from County staff, elected officials, affordable housing, social service providers, and local citizens. Priority #1– Rehabilitation of Existing Housing- Focus on improving health and safety, code violations, accessibility and sustainability for extremely low to moderate income individuals (including but not limited to elderly, disabled and veterans) below 50% AMI.

Priority #2 – Public Services- Public service provided will enhance the living environment of the targeted population by addressing basic needs that are not being met as well as the economic factors to adequately provide for themselves.

Priority #3– Public Facilities and Infrastructure- Provision of adequate infrastructure and public facility to ensure their operation at an efficient level of service and enhance the livability of low and moderate income neighborhoods.

Priority #4 – Homeless Assistance- Provide housing and support services to assist individuals and families who are homeless or at risk of becoming homeless.
