This Agreement made and entered into this _____ day of October 2022, by and between the St. Johns County Board of County Commissioners, hereinafter referred to as the County or Board and the St. Johns County Professional Firefighters and Paramedics, IAFF, Local #3865, hereinafter referred to as the Union.

WITNESS TO:

WHEREAS, it is the intent and purpose of the parties to set forth herein their Agreement covering rates of pay, wages, hours of employment, and other conditions of employment, to increase the efficiency and productivity of employees in the bargaining unit, to ensure that the County retains the right to operate the County government effectively in a responsible and efficient manner, to provide for prompt and fair settlement of grievances without any interruption of or other interferences with the operation of the Fire/Rescue Department (hereinafter the Department); and

WHEREAS, the parties recognize and agree that the health and safety concerns of the citizens of the County dictate that the best service possible is expected from the County and from all bargaining unit employees at all times;

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties do mutually covenant and agree that their objective is for the good and welfare of the County and Union members alike. Both parties further agree that in the interest of collective bargaining and harmonious relations they will at all times abide by the terms and conditions as hereinafter set forth and agreed upon. The County and Union regard all personnel as public employees who are to be governed by high ideals of honor and integrity in all public and personal conduct so as to merit the trust and confidence of the general public and fellow employees.

ARTICLE 1
RECOGNITION

Section 1.1 The County recognizes the Union as the sole and exclusive bargaining agent, for purposes of establishing wages, hours, terms and conditions of employment for all regular full- time employees (those employees regularly scheduled to work more than thirty (30) hours per week) in the classifications of Firefighter/EMT, Firefighter/Engineer, and Firefighter/Lieutenant, and excludes all other positions within the Department.

The above-described bargaining unit covered by this Agreement was certified by the Public Employees Relations Commission on December 4, 1998, under Certification No. 1233. The classifications or job titles used above are for descriptive purposes only. Their use is neither an indication nor a guarantee that these classifications or titles will continue to be utilized.

All references to employees in the male gender of this Agreement are used for convenience only and should be interpreted to include both male and female.

ARTICLE 2

UNION REPRESENTATIVES

Section 4.4 If in the sole discretion of the Board or County Administrator it is determined that extreme civil emergency conditions exist, including but not limited to, riots, civil disorder, hurricane conditions, floods, or other similar catastrophes, the provisions of this Agreement may be suspended by the Board or County Administrator during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended. Should an emergency arise and be declared by the Board, the Fire Chief or his designee shall advise the President of the Union or the next highest officer of the Union of the nature of the emergency. The Board or County Administrator shall follow up said advice in writing as soon thereafter as is practical and shall forward said written notice to the President of the Union.

Section 4.5 The exercise of such rights shall not preclude employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this collective bargaining agreement in force, with the exception of such provisions suspended during a declared emergency.

ARTICLE 5

PAYROLL DEDUCTION OF DUES

Section 5.1 Upon receipt of a written authorization from an employee in the form set forth in Appendix A, the County will deduct from the employee's pay the amount the employee owes the Union for dues and other assessments. This provision will provide for bi-weekly deductions. The County will remit the amount deducted to the Union within thirty (30) calendar days. The Union will certify changes in the Union membership dues rate by notifying the County in writing at least thirty (30) calendar days in advance of the effective date of such change. The Union's certification will include the signature of the authorized officer or officers of the Union. The County's remittance will be deemed correct if the Union does not notify the County within fourteen (14) calendar days after a remittance is received that the Union believes the remittance is incorrect and the reason for that belief.

Section 5.2 Upon receipt of a written authorization from an employee in the form set forth in Appendix C, the County will deduct from the employee's pay the amount the employee owes the Union for Benevolent Fund Dues. This provision will provide for bi-weekly deductions added with the Union dues and other assessments deduction. The County will remit the amount deducted to the Union within thirty (30) calendar days. The Union will certify changes in the Benevolent Fund Dues rate by notifying the County in writing at least thirty (30) calendar days in advance of the effective date of such change. The Union's certification will include the signature of the authorized officer or officers of the Union. The County's remittance will be deemed correct if the Union does not notify the County within fourteen (14) calendar days after a remittance is received that the Union believes the remittance is incorrect and the reason for that belief.

Section 5.3 No deduction will be made from the pay of any employee for any payroll period in which the employee's net earnings for that payroll period are less than the amount of dues to be deducted. The County will not be responsible for refunds to the employee if the employee has duplicated a check-off deduction by direct payment to the Union. An employee may revoke his authorization for Union dues deduction by filling out the Authorization for Revocation of Union Dues form (Appendix B). The deduction of dues will be revoked within thirty (30) calendar days following receipt of the written notice by both the County and Local #3865 and will be processed on the next effective pay period. An employee may also revoke his authorization for Benevolent Fund dues deduction by filling out the Authorization for Revocation of Benevolent Fund Dues form (Appendix D). The deduction of Benevolent Fund Dues will be revoked within thirty (30) calendar days following receipt of the written notice by both the County and Local #3865 and will be processed on the next effective pay period.

Section 5.4 The Union will indemnify, defend, and hold the County harmless against any claim made and against any suit instituted against the County on account of any deduction for Union dues or Benevolent Fund Dues.

ARTICLE 6

GRIEVANCE AND ARBITRATION PROCEDURE

Section 6.1 For the purpose of this Agreement, a grievance is defined as a claim or complaint that a bargaining unit employee or group of employees may have that the County has violated a provision of this Agreement. A Grievant is defined as an employee, group of employees collectively or the Union who has filed a grievance.

Section 6.2 A grievance may be taken up during the working time of the Grievant upon approval of the Battalion Chief or his designee as long as it does not impinge upon emergency situations or job duties. A “business day” as referred to in this article is defined as Monday through Friday excluding holidays as approved by the Board.

Section 6.3 All grievances must be reduced to writing into the format of either electronic mail or a written document and must be signed by the Grievant(s). The first attempt will be via electronic mail using the County’s email system as the designation point, but in the event where electronic mail cannot be utilized, the grievance will be reduced to writing and presented in person in accordance with section 6.4. The department officer receiving the grievance will provide a receipt of notification, preferably via electronic mail using the County’s email system as the designation point, to the Grievant or in the case of a group grievance the individual presenting the grievance. In the case of a Union grievance the Union officer who filed the grievance will be notified. The County shall notify the Union President or designee of the grievance.

In the event the County’s electronic mail is not available then the Grievant will be notified via a telephone call within two (2) business days from receipt of written grievance. If the grievance is filed on a weekend or on a County holiday, the time line will not start until the next business day after the grievance was presented. All grievances must contain the following information:

- a) The specific Article(s) and Section(s) of the Agreement alleged to have been violated by the County;
- b) A statement of the grievance, giving a description of the facts, dates and times of the events involved in the alleged violation, and the specific remedy desired by the Grievant;
- c) If the grievance is filed via electronic mail using the County’s email system as the designation point, the sender (author) of the electronic mail shall be deemed to have met the signature requirements of section 6.3. All Union grievances must be emailed from a Union officer and carbon copied to a second Union officer, and then sent to the Administrator on Call, to meet the electronic signature requirements.

Failure of the Grievant to comply with the requirements of this section shall result in the County having to take no further action on the grievance.

Section 6.4 All grievances shall be processed in accordance with the following procedure. All responses from either the Grievant or Administration shall be made in writing and all parties involved, including the Union, shall be notified by email that a response has been sent.

Step 1 The Grievant shall present the grievance to the department officer designated as Administrator on Call within seven (7) business days of the time the employee(s) or the Union knew or should have known of the alleged violation of the Agreement. The Administrator on Call who initially received the grievance should discuss and make an effort to resolve all legitimate grievances with fairness and justice for both the Grievant and the County. The Administrator on Call who initially received the grievance shall notify the Grievant, and the Union, of the Department's decision within seven (7) business days from the date the grievance was presented. In the event the Administrator on Call is not designated, the grievance should be presented to the Fire Chief or his designee.

Step 2 If the grievance is not settled at the first step, the Grievant within seven (7) business days from the date of notification of decision from the Administrator on Call who initially received the grievance shall present the written grievance to the County Administrator or his designee. The County Administrator or his designee shall review the alleged grievance and shall within twenty (20) business days of receipt of the written grievance conduct a meeting with the Grievant and a Union representative. The County Administrator or his designee shall notify the Grievant, and the Union, in writing of his decision no later than fifteen (15) business days subsequent to the date the meeting was held by the County Administrator or his designee.

Step 3 If a grievance, as defined in this Article, has not been satisfactorily resolved within the Grievance Procedure, the Union may request arbitration by placing the request for arbitration in writing to the St. Johns County Human Resources Director no later than fourteen (14) business days from the date of the County Administrator or his designee decision.

Section 6.5 Whenever the Union requests arbitration in accordance with the provisions of Section 6.4, the parties shall attempt to agree upon an impartial individual to act as arbitrator within fourteen (14) business days following appeal to arbitration. If an impartial individual cannot be mutually agreed upon within fourteen (14) business days following appeal to arbitration, the Union shall request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators. Arbitrators shall be selected from such panel by alternately striking names from this list (the party seeking arbitration shall make the first strike) until the last name on the list is reached.

Section 6.6 The Arbitrator shall not have the power to add to, subtract from, or alter the terms of this Agreement.

Section 6.7 There shall be no appeal from the Arbitrator's decision unless allowed by law; it shall be final and binding on the Union and on all bargaining unit employees and on the County provided the Arbitrator's decision is not outside or beyond the scope of the Arbitrator's jurisdiction and authority, or is not in violation of public policy. The authority and responsibility of the County, as provided by Federal and/or Florida law, shall not be usurped in any matter.

Section 6.8 The Arbitrator will divide the cost of his services between the parties. Each side will pay its own representative and witnesses. Either side desiring a transcript will pay for it.

Section 6.9 It is the mutual desire of the County and the Union that grievances shall be addressed as quickly as possible and to that end the time limits set forth in this Article are to be strictly enforced. The time limits may only be extended by mutual written agreement. For the purpose of calculating time limits, the day on which a grievance, or a reply by management to a grievance, is received, shall not be counted. Failure of the County to observe the time limits for any step in the grievance procedure without a mutually agreed upon written extension of time shall entitle the Grievant to advance the grievance to the next step. Failure

of the Grievant to observe the time limits for any step in the grievance procedure without a mutually agreed upon written extension of time shall entitle the County to dismiss the grievance.

ARTICLE 7

HOURS OF WORK AND OVERTIME

Section 7.1 The basic work period for bargaining unit employees in certain classifications will consist of a fourteen (14) day work period, and the tour of duty will be twenty-four (24) hours on and forty-eight (48) hours off.

For example:

Hours worked in excess of one hundred and six (106) in a fourteen (14) day work period which are assigned by the County shall be compensated at time and one-half (1½ times) the employee's regular rate of pay.

Section 7.2 The basic work period for bargaining unit employees in certain classifications will consist of a forty (40) hour, seven (7) day work period. Hours worked in excess of forty (40) hours in the seven (7) day work period will entitle the employee to overtime. Overtime shall be compensated at the rate of time and one-half (1½ times) the employee's regular rate of pay.

Section 7.3 Nothing in this Article shall require payment for overtime hours not worked. In calculating the amount of overtime compensation due an employee only the hours actually worked shall be counted. Paid holidays, paid leave, and other premium payments under this Agreement shall not be included as hours worked for purposes of overtime payment unless dictated by applicable law. Premium payments shall not be duplicated for the same hours worked under any of the terms of this Agreement.

Section 7.4 Should an employee voluntarily switch shifts with another employee for the employee's convenience, no overtime compensation will be payable and the hours the employee worked as a substitute shall be excluded by the County in the calculation of the hours for which the employee is entitled to overtime compensation unless dictated by applicable law. All such trading shall be in accordance with policy and this Agreement.

Section 7.5 No employee shall authorize overtime for himself or any other employee, but shall be entitled to overtime work as assigned or authorized by the County. It is understood that the County has the right to schedule overtime work as needed, and in a manner most advantageous to the County. Whenever practical an overtime roster system will be used when assigning overtime work.

Section 7.6 All employees covered by this Agreement shall be required to report to work on time, shall not leave the job until relieved, and shall be prompt in reporting to their assigned duties.

Section 7.7 The shifts, workdays and hours which employees are assigned shall be stated on the departmental work schedule. Employees covered by this Agreement shall be given notice as far in advance as is reasonably practicable of any change in their regular duty assignment.

Section 7.8 Any employee called back to work after having been relieved and having left the assigned work station or called in before his regular scheduled work time shall be paid the actual time worked at the appropriate rate, but shall receive a minimum of two (2) hour's pay. Any employee who accepts an Extra Duty assignment that is cancelled or reduced in time within twenty (20) hours of the start time shall be paid the actual time worked at the appropriate rate, but shall receive a minimum of two (2) hour's pay.

Section 7.9 Any employee who is selected for mandatory overtime, or voluntarily works for an employee who has been selected, shall be compensated at time and one-half (1½ times) the employee's regular rate of pay, whether or not the one-hundred and six (106) hour FLSA threshold for overtime has been met. The employee that voluntarily works for the other employee will not have their placement on the list adjusted.

Section 7.10 The parties agree that the current practice of using a rotation list to distribute overtime is accepted, along with current guidelines.

Section 7.11 The parties agree to use the electronic scheduling program to facilitate the distribution of overtime.

ARTICLE 8
PROBATIONARY PERIOD

Section 8.1 All new bargaining unit employees, including rehired employees, shall be probationary employees and must successfully complete a probationary period before attaining regular status. Any employee who is promoted shall be considered as a promotional probationary employee, and must successfully complete a promotional probationary period before being regularly appointed to the new or related position classification.

Section 8.2 For new hires and rehired employees the probationary period shall be one (1) year of continuous, uninterrupted employment. The probationary period for promotional probationary employees shall be six (6) months of continuous, uninterrupted employment. The employee's starting date of employment for purposes of calculating probationary status shall be adjusted if the employee takes leave without pay. For example, should an employee take three (3) days of leave without pay, the employee's starting date of employment will be adjusted by moving the employee's original date up three (3) days. Should the employee be in his probationary period at the time he takes leave without pay, the employee's probationary period shall be extended in proportion to the days he was on such leave.

Section 8.3 Any employee classified as a new hire or rehired probationary employee will be considered an "at-will" employee and may be disciplined or discharged without recourse in accordance with the grievance and arbitration procedure of this Agreement.

Section 8.4 During the probationary period for new hire or rehired probationary employees, such employees will accrue, but not be permitted to use, vacation or sick leave benefits for the first six (6) Months without expressed consent of the Fire Chief or their designee

Section 8.5 Provisions as to department seniority shall not apply to new hire or rehired probationary employees until the completion of the probationary period.

Section 8.6 If the promotional probationary employee fails to demonstrate that he can completely perform the job within the promotional probationary period, the County will determine if the employee will receive a one-time extension of the probationary period up to an additional six (6) months or return the employee to his former position classification, without any loss of department or time in position seniority.

Section 8.7 New probationary employees, excluding promotional probationary employees, must have successfully completed six (6) months of service prior to October 1 to be eligible for a step increase, if any, subject to a satisfactory performance evaluation.

Section 8.8 Reversions: An employee who has been demoted by administrative action or who voluntarily steps down while under investigation shall be considered as a probationary employee and must successfully complete a probationary period of one (1) year. The employee's department seniority will remain the same and his time in position seniority will be adjusted back to the seniority the employee had just prior to his promotion.

The test shall remain secured until the test date. Once the multiple-choice test is graded, the Promotional Committee shall review the test to insure the validity of the exam questions. For any questions which are found to be invalid, all candidates shall receive credit for the question and all multiple-choice tests re-scored. - (5) Informal inquiries and interrogation sessions must be of reasonable duration, and the firefighter must be permitted reasonable periods for rest and personal necessities.
- (6) During an informal inquiry or interrogation, the firefighter may not be subjected to offensive language; threatened with a transfer, suspension, dismissal, or other disciplinary action; or offered any incentive as an inducement to answer any questions.
