A local Business Tax Receipt is not a license to practice contracting! It is a tax that is paid to conduct business within a county or municipality. Any work performed not on this list may need contractor licensure and permitting. Check with the Building Department **PRIOR** to beginning this work!

If you contract to perform work outside the scope of your Local Business Tax Receipt, you can be cited as prescribed by Law and fined up to \$5000.

For more information regarding licensure beyond what is listed here, please visit the Contractor Licensing office in the Building Permit Center Building, 4040 Lewis Speedway, St. Augustine, FL 32084, call 904-827-6820 or visit our website <https://www.sjcfl.us/departments/contractor-licensing/>.
