

Educational Workshop: Agricultural Land Conservation Easements

*Protect Your Land.
Preserve Your Legacy.*

 **Date:** Monday, August 24, 2026

 **Time:** 4:00pm - 5:30pm

 **Location:** Hastings Branch Public Library, N. Main St., Hastings, FL 32145

 **Admission:** Free, but please RSVP!

Agricultural Conservation for Private Landowners

This workshop will be focused on the Rural and Family Lands Protection Program, which engages solely in acquiring development rights through rural lands protection easements. By acquiring conservation easements on agricultural-producing land, landowners can continue farming operations while preserving for future generations.

Who Should Attend?

Agricultural landowners interested in permanent land protection

Farmers, ranchers, and timber producers

Family operations planning multi-generational land transitions

Anyone interested in Florida's agricultural land conservation!
