

Not All 'Walk-Ins' Cost the Same

Freestanding Emergency Rooms (ER) vs Urgent Care

Freestanding ERs

(Higher Cost)

Billed As:	Emergency Room
Cost:	Higher (deductible & coinsurance)
Used For:	Emergencies (Chest pain, Severe injury, Trouble breathing)

Urgent Care Center

(Lower Cost)

Billed As:	Urgent Care
Cost:	Lower (copay)
Used For:	Non-Emergencies (Cold & flu, Minor Injuries, Infections)

Important Update

UF Health St. Johns Urgent Care (formerly Flagler Hospital Urgent Care) are currently processing claims under a specialist tax ID.

- Charges are being applied to deductible and coinsurance, not the \$35 urgent care copay.
- UF health has filed with the state of Florida to be recognized as an urgent care provider, but approval is still pending. In the meantime, you may want to use other in network urgent care centers. Florida blue offers several urgent care options. A few are listed below, and you can also search the Florida blue website for additional nearby locations.
- **UF Health St. Johns Urgent Care Locations – Deductible and Coinsurance will be applied:**
110 Health Blvd, St. Augustine
70 Turin Ter Ste 110, St. Augustine
- **Freestanding ER Locations bill the same as if you went to an emergency room at the hospital. Services will be subject to deductible and co-insurance not the urgent care copay.**
