Meetings are always open to the public, public notice for each meeting and minutes recorded by Prissy Fletcher. Public comments are allowed at the end of the meeting. A quorum is a minimum of four members.

Forward anything to her. Do not reply-all to emails. Two members together is considered a meeting, but members can talk to the public.

When a motion is called to vote, you must vote unless it's a conflict of interest (like financial gain). Contact OCA if uncertain.

Prissy Fletcher requested a list of topics for our first official committee meeting. Topics included: ballot initiatives for conservation funds, county incentives for new and existing businesses, added agricultural land to comp plan, future equipment limitations on Main St. Hastings, farm traffic signage, agricultural awareness efforts, staying informed on developments on agricultural lands, County-funded IFAS budgets, updates on Extension staff, citrus research, need for local laboratory/testing assistance.

Follow up meetings requested to continue with Wednesday evenings. Dates and agendas will be posted on the SJC Agricultural Outreach at least 72 hours in advance.

Next meeting: August 12, 2026. New Hastings Library requested.

Motion to adjourn. 7:04pm.
